Provider Claim Highlights

Help us process your claim with speed and accuracy! By doing these things, it may prevent confusion and even deductions on your claim!

1. Paper claimers, add your columns down and total your meals on the meal count forms.
2. Let us know when school aged children are present during the weekday at lunch or am snack *with each month's claim*.
3. Record everything you are serving. Add notes to the menus if you would like. It helps us compare menus with observed meals at the home visits.
4. Split shifts: Mark children in Minute Menu who are present for both shifts. Call us for instructions.
