TRAINING COURSES

SUID/AHT VII.B: ENSURING SAFETY NANCY BERNDT

This class meets the DHS licensing training requirements for both Sudden Unexpected Infant Death (SUID) as well as symptoms and consequences of abusive head trauma.

HEALTH & SAFETY I VII.A: ESTABLISHING HEALTHY PRACTICES HEALTH & SAFETY II VII.B: ENSURING SAFETY WENDY PROKOSCH

This series based course intended for experienced providers meets licensing in-service requirements as well as the health and safety requirements from the Child Care Development Fund. Participants will explore Rule 2 licensing standards and best practices around health and safety.

IS THE CHILD & ADULT CARE FOOD PROGRAM WORTH IT? VI: PROFESSIONALISM SHARON RASMUSSEN

Learn how participation in the USDA's Child and Adult Care Food Program (CACFP) affects income of a licensed family child care provider. Understand tax repercussions, claiming the income as an expense, and how the IRS developed a method of claiming food expense whether or not a provider is participating in the CACFP.

DEVELOPING, TROUBLE SHOOTING, & SUSTAINING A CHILD CARE BUSINESS - VI: PROFESSIONALISM STEVEN ROECKLEIN

Discover how communication, connections, and collaborations all work together when it comes to running a successful childcare business. This training explores and examines, with both experienced and newer providers, as well as with center directors and lead teachers, how we can sharpen our operations so that we all take better care of ourselves and remain profitable.

READY, SET, PLAY VII. HEALTH, SAFETY AND NUTRITION MARY SCHROEDER

Young children benefit when adults include small amounts of structured physical activity throughout the day. In this session, you will learn about the benefits of children being physically active and how to set-up a plan for structured physical activity. Dress comfortable and be prepared to have fun and get active as you will be practicing different activities you can do with the children in your care. Each participant will receive a copy of the Physical Activity Toolkit for Preschool-Aged Children.
